Brill Large Jar

1000-0031

Overall: 13"h x 11.5"dia

Finish: Navy Blue/Gold

Materials: Porcelain

Availability: In Stock

Item Weight: 10 lb

The large version of the Brill Jar takes its slang super seriously, the brilliant swaths of gold ornamenting the navy blue on the body and the lid, as well as the agile handle, will make this a standout accessory for a bookshelf, a lovely table stacked with books or a kitchen counter. Just try to ignore the porcelain creation when the lights switch on and its painterly personality gleams! This decorative accessory also comes in medium and small versions.
