Sora Small Vase

1200-0001

Overall: 15.25"h x 12.75"dia

Finish: Blue/White

Materials: Porcelain

Availability: In Stock

Item Weight: 13 lb

Ethereal blue veining flowing across a background of white makes the Sora Small Vase a beautiful decorative accessory for the room that demands sophistication. The rotund porcelain vase that grows beautifully thin at its apex has been hand-painted by artisans who understand the value of blue and white porcelain, as past generations have been creating it for centuries. But this vase has a contemporary feel that sets it apart. We also offer the Sora in a large version that is equally exquisite.
